## **Program**

13h40-14h00	Welcome
14h00	Welcome note by the President of the Graduate School
14h05-15h30	Presentations Part 1

After the presentations, we invite you to take part to a sandwich dinner accompanied by some food tasting ("dégustation"). This tasting will give us the opportunity to know each other better by discovering products (food and drinks) typical from regions or countries of our Graduate School members. As you know better than we do your local food or drinks, we would like to ask you to bring with you a local product of your choice.

For registration to our afternoon and in particular the tasting activity,
